BY RUBY MOUSSOULIDES

The Holy Family senior volleyball team travelled to ALSAA in Dublin on Friday the 11th of October to compete in their first round of matches.

The team first played against Rockford Manor and put up a tough fight in their first set but unfortunately lost the set 19-25, the girls then made a great comeback and won the second set 25-21 which led them to play a deciding set in which they played some great rallies but after their hard work, they lost the first game 1-2.

The girls then played against Kilkenny City Vocational School and tried their hardest to overcome them, both teams played great in the first set and the girls got some amazing aces and spikes in which gained them a few points. They lost the first set 15-25. In the second set the girls used lots of strength and pushed hard to regain the lead, but Kilkenny took the win 0-2.

Lastly, the team played against St Mary's College, Naas, who they previously faced in the senior final last year. The girls played amazing and had some very long rallies, great saves and outstanding serves. All of this hard work led them to winning the first set 25-23! In the second set, St Mary's put up a hard fight to get a win, but Holy Family's defence made it harder for Naas to attack and the girls got lots of amazing blocks in. Holy family won 2-0
