Presents

‘Popstars, the 90’s Musical’

Dear Friend,

We are reaching out to request your support for our upcoming school musical extravaganza, “Popstars: The 90’s Musical,” which will be held at Holy Family Secondary School from October 14th to 17th, 2024.

After a hugely successful production of ‘Grease’ last year, both our school communities understand the value that drama has for our students. The students from both the Holy Family and Patrician Secondary Schools are busy rehearsing. We look forward to the months to come.

Would you like to be a patron of this year’s school show?

Your support to our school community is invaluable. It would be motivating for the students of both schools to feel that they have the backing of the local community.

As a patron of the show, your name will be featured in our Show programme in recognition of your support.

Option A (without a ticket to the show)	€50
Option B (with a discounted adult ticket)	€60

Our programme will be finalised on the 1st October, 2024. Please email me with the selected option before this date in order to have your name featured in the programme in recognition of your support.

On behalf of the students and staff, thank you for reading this letter.

If you would like to become a patron, please email Hayley Mulpeter for further details.

Email: hmulpeter@holyfamily.ie

Yours sincerely,

Hayley Mulpeter
