2nd set

Colaiste Muire really stepped up in the second set and had really great teamwork and communication on court. Two different players came onto court during this set, Maya Sosa and Amelia Kavanagh. Both of these players showed great knowledge of the sport and this could be seen on court. They were immediately welcomed by the rest of they players which again showed great teamwork from HFSS. This was a hard fought set but unfortunately HFSS lost to Colaiste Muire, 25:09 .

3rd set

This being the last set of the game with a score of sets 1:1 made this set the most intense one of the game because of the fact that the winners of this set were to be crowned Division A All Ireland finals winners. In this set HFSS had some great saves and some great tips over the net which got HFSS some quick points thanks to the agility and speed of all the players on court. Alas, when the points were added up HFSS lost to Colaiste Muire 09:15 .Overall the members of the HFSS team played equally amazingly and should truly be proud of themselves and one another.
