## Application for Book Grant Scheme

2024/2025

The Department of Education specifies the eligibility criteria, which may qualify a pupil for book grant. Due to limited resources, we will examine each application to help prioritise those deemed to have greatest need. Amount given may vary, as this will be depending on family need.

### Eligibility Categories:

1. Families mainly dependent on social welfare payments.
2. Families on low incomes from employment, (in receipt of Family Income Supplement).
3. Families experiencing financial hardship because of particular circumstances in the home.

Applying for a book grant does not automatically qualify a pupil for this grant.

Entitlement to a medical card is not necessarily an indicator of eligibility.
