

1-4 TO 1-0 LOSS TO LORETO COLLEGE IN A HEARTBREAKING MATCH FOR OUR CAMOGIE TEAM

On Thursday the fourteenth of November, Holy Family's junior camogie team played their second match of the season away to Loreto Stephen's Green played in Clann na Gael, Fontenoy. Our girls left Holy Family early that morning and throw-in was at 10.30 am.

Captain Aoife O'Toole encouraged the girls to try their best from the moment the whistle blew. The first half started off rocky as Loreto scored an early goal and 2 points. The team quickly countered this with Aoibhinn Carty making sure the ball never strayed far with relentless effort and amazing skill, making it seem the sliotar was stuck to her hurl. Meanwhile, Keela Moran made sure Loreto would have a hard time passing through, blocking shots left and right. Loreto pushed back, scoring 2 more points before the half ended.

The team came back with newfound confidence, determined not to give up — and they didn't. Loreto struggled from the get-go with brilliant skill on full display from Molly O'Neill, who made it difficult for them to get past her. In the 15th minute of the second half, Emily O'Sullivan made a hard pass to Bronagh Malone, who hammered it into the net for the first goal — and the only score of the half. From then on, the team was pristine, with everyone working together. After the match, Mr. Coomey said it was the best half the team had played since the start of the team.
