Dear Friend,

I am contacting you on behalf of Holy Family Secondary School. We are seeking new sponsorship for our extra-curricular teams, clubs and activities. I am the Leader of Extra and Co-Curricular Activities for the school, and I would warmly welcome the opportunity to discuss a sponsorship partnership with your business.

Holy Family Secondary School has a proud tradition of seeking to support our students beyond their academic curriculum, aiming to nurture and support the holistic development of the remarkable young people in our school. We centre many of the school's programmes on the principles of wellbeing. In addition to the many curricular and leadership programmes on offer at HFSS, the school currently has over 300 students actively participating in extra-curricular activities such as GAA, Basketball, Running, Volleyball, Football, Equestrian and many club activities, such as Book Club and Craft Club.

Unfortunately, such undertakings are very expensive, and we ask for sponsorship to help subsidise the cost of new equipment, apparel and travel expenses.

All sponsorship received will go directly towards upgrading kits and equipment for these activities. Sponsoring one of our school teams or clubs is not only a great way to get involved with the community; it's also a mutually beneficial form of marketing for your business.

- ***Your logo on your choice of equipment or apparel.***
- ***Social media posts about your business to our families thanking you for your sponsorship.***
- ***A picture of our team to hang in your office and partnering with the school to ensure that young women have as many opportunities as possible to excel open to them that the school can explore.***

We understand that you have several choices when considering different marketing and community outreach opportunities and we would be grateful for your consideration. If you could support the school, please contact the school reception on 045 431957 or email reception@holyfamily.ie and I will contact you to discuss further.

Thank you for your consideration.

Sincere regards,

Eugene Beggy
