

DIGITAL WORLD SESSIONS

HELPING PARENTS WITH EVERYDAY ONLINE
LIFE

WAYNE DENNER

HI

Thank you for joining today's workshop.

I have attached a Takeaway leaflet for you which I hope will be useful for you and your family.

If you would like further updates on Online Safety, Tech and Healthy Media Habits I add **Short Video Updates each month on What Parents Need to Know to my CoBabble Smartphone App which is available from your school for just £1 per year per parent - for all parents when the school subscribes.** To get more details on this please email:
elaine@waynedenner.com

Our new **Evolving Education Sessions** for older teenagers are All New for 2023. Let your school know if you feel they would be of benefit to your children and teenagers:

www.waynedenner.com

Please find below our newly designed DIGITAL WORLD 2022 Sessions (which also incorporate online safety throughout and work well as an approach with older students and college/University age groups)

- The Future of Work 2023
- Unplugged: Digital Detox
- Healthy Media Habits for Life
- Introduction to Digital Media Marketing and Communications
- Practical Cybersecurity
- Blended Online Reputation: Personal, professional and organisational.
- Introduction to Digital Transformation in the Workplace.
- Introduction to Change Management.

As one parent to another, I wish you all every success in managing technology in your home and working towards healthy media habits with your family.

Please remember along with your school, I am here for support and feel free to get in touch should you experience issues or have concerns.

Kind regards and stay safe online,

Wayne
