
Debating Club Updates

Congratulations to the senior debating team who won their first debate of the year against St Andrews College Dublin. The debate took place on the 16th of October and they received news that they had won on Monday. This debate was part of the Concern debates competition. The team was opposing the motion " School strikes are the only effective way for young people to have a voice on climate change ". Our team captain was Alannah Somers, second speaker was Ella Cashman , third speaker was Ava Brady and fourth speaker was Kate Miller. The team all gave amazing speeches and some great rebuttal and secured the victory! Well done to all involved (written by Claire McGrath)

Junior Debate Club is a great way to get involved in the school. You can get the chance to meet new people and anyone from 1st-3rd is welcome to join us. Debate is also a great way to learn life skills, while being passionate about something, and fighting for what you believe in. It's a great way to practice life skills like public speaking, which will help you with future presentations and CBA's. The speech writing will help with English projects, and you'll learn how to speak calmly and confidently, and how to project your voice effectively. We're hoping to go to a debate this year against another school. If you want to join we do games, that are silly and fun but are great confidence builders, on every second Friday at lunch. If you are interested in joining please contact Ms Ronan or Ms Cunningham on teams. (written by Isabella Craven 2nd Year)
